

BABULAL AMIN TANDURE

Solapur, Maharashtra | +91-9322565125 | babulaltandure509@gmail.com | [LinkedIn](#) | [GitHub](#)

CAREER OBJECTIVE

Motivated Computer Science student with a solid foundation in software engineering and web technologies. Demonstrated ability to build scalable applications, integrate AI solutions through academic projects, and apply analytical problem-solving skills to real-world technical challenges.

EDUCATION

B.Tech Computer Science and Engineering | N. K. Orchid College of Engineering and Technology, DBATU, Lonere 2022-26 | CGPA: 7.10

HSC (Maharashtra State Board) | Akshar Junior College kanadalgoan, Solapur 2020-22 | Percentage: 85.83%

SSC (Maharashtra State Board) | Peer Mahadev Prashaala Wangi Solapur 2017-20 | Percentage: 86.00%

TECHNICAL SKILLS

Programming Languages: Java, C

Web Technologies: HTML, CSS, JavaScript

Databases: MySQL

Developer Tools & VCS: Eclipse, VS Code, Git

PROJECTS

CANESETHU - Sugarcane Ecosystem Web Portal | MERN STACK

- Contributed as Frontend Developer & Database Contributor . □
- Built interactive dashboards, forms, and navigation components to ensure smooth workflow and better usability.
- Worked on database design and data management for the Contract Module, including handling data storage, retrieval and validation for HHM-Factory contract requests.

E-TOURIST - TOURISM GUIDE APPLICATION | JAVA SWING, SQL, JDBC

- Developed a comprehensive tourism guide application designed to travel convenience and user comfort.
 - Engineered a user-friendly interface with offline accessibility to ensure seamless navigation in remote areas.
 - Architected the backend using Java and managed structured data with MySQL for robust performance.
-

INTERNSHIP & TRAINING

- **Zensar ESD Training Program (1 month) - 2025** : Completed enterprise software development training with hands-on experience in Java and MySQL; improved problem-solving and application development capabilities.
 - **Campus to Corporate Internship - Eminence (1 week) - 2023** : Developed and refined essential professional skills including communication, teamwork, and adaptability to corporate environments.
 - **Aptitude Training - AptTech (1 week) - 2025** : Strengthened logical reasoning, quantitative aptitude, and analytical thinking through structured problem-solving modules.
-

CERTIFICATIONS & ACHIEVEMENTS

- Completed NPTEL Course on Machine Learning (8 week) - 2025.
- Completed NPTEL Course on Introduction to Java (8 week) - 2025.
- Completed NPTEL Course on Database Management System (8 week) - 2024.
- Participated in the International Agri Hackathon at Pune and presented the project in the final round.
- Won 1st Prize as part of a team at the Corporate Mela organized by Eminence Institute.
